- We will be aware that anytime we are working with or around anyone under the age of 21, that there should be another, unrelated adult within sight.
- We will be aware that anytime we are working in the home of a vulnerable adult, that there will be another, unrelated adult within sight.
- We will not invite any children or youth into our Recreational Vehicle for any reason without a parent or teacher being with the child.
- We will meet the Safe Sanctuary requirements of any host site where we are doing a work project, including Background Checks if required.
